## From the Principal

### School overview

Waterford West State School is committed to providing high quality inclusive education for all students. Parents and teachers are committed to working in partnership to provide a supportive school environment to achieve our school motto 'Learning for Life'. Through the process of explicit instruction our school is committed to create a climate that enhances every child's belief in themselves to be lifelong learners and active members of society. We are constantly striving to further develop our vision and set future directions to achieve our school specific goals. Our educational community is committed to exploring initiatives and creating opportunities and institutional links for improved teaching and learning outcomes for students and staff across Prep to Year 6. Waterford West State School, aims to provide our nearly 700 students from Prep-6 with the tools to be lifelong learners by providing: \* Programs to facilitate our students learning, for example, S.E.P (Special Education Program), reading intervention and extension programs. \* Specialist teachers, who include; a guidance officer, music specialist, physical education teacher, cultural studies teacher, art specialist, speech language pathologist and many other visiting teachers. \* School facilities, which include; a hall, oval, computer lab, and interactive whiteboards in every classroom. Waterford West State School has a proud tradition of providing quality learning experiences for all students. As winners and state finalists in the State Showcase Awards for Excellence in Education on two occasions over the last several years, we have much to offer students of all ability levels. We have won first prize in the Regional Showcase Awards on three occasions - for excellence in Community Partnerships twice and for Excellence in Middle Schooling on one occasion. We have been State Award finalists on two occasions and State Winners once. We also won the 2013 Queensland Reconciliation Awards for our work with our Indigenous community. We have many valued community partnerships including strong ties to Griffith University through the 'Launch into Life at Logan' project aimed at improving outcomes for our year 5 and 6 students. We have developed a new partnership with ARTIE (Achieving Results Through Indigenous Education) aimed at Closing the Gap and improving academic and attendance outcomes for our Indigenous students. We value all of our students and create an environment based on tolerance and understanding with respect for all cultures. We promote positive relationships with our parents and care-givers and believe we are partners in the successful learning of our students. We are very proud to be recognised as a Tier 3 PBL (Positive Behaviour for Learning) school which is integral in providing calm and learning focussed classrooms. At Waterford West State School we really are 'Learning for Life'.

## Characteristics of the student body

### Student enrolments

Table 1: Student enrolments at this school

Enrolment category	2017	2018	2019
Total	670	674	718
Girls	311	311	325
Boys	359	363	393
Indigenous	73	76	82
Enrolment continuity (Feb. – Nov.)	92%	91%	94%

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

### Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2017	2018	2019
Prep – Year 3	24	22	24
Year 4 – Year 6	26	25	27
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

## Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

### Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

### How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

## Social climate

### Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

## Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

## Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community, Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

## School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	152	186	199
Long suspensions – 11 to 20 days	1	1	0
Exclusions	0	1	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

## Environmental footprint

### Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	168,698	164,049	201,413
Water (kL)	793	1,279	1,293

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool\* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

\*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

#### Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

## Professional development

### Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.
